Blood of the Cosmos: Saga of Shadows: Book Two By Kevin J. Anderson

"As the second book of the trilogy opens, the humans and Ildirans, having narrowly escaped annihilation at the hands of the Shana Rei and their robot allies in book one, are desperate to find a way to combat the black cloud of antimatter of the Shana Rei. The mysterious alien Gardeners, who had helped them previously, turn out to be a disaster in disguise and because of them, the world tree forests are again in danger. The allies, believing they have found a way to stop their dreaded enemies, [test a new weapon], but it's a horrible failure, throwing the human race and its allies to the brink of extinction"--

Editorial Review

About the Author

More than two dozen of **Kevin J. Anderson**'s novels have appeared on national bestseller lists; and he has over eleven million books in print worldwide. His works have been translated into over 22 languages including German, Japanese, Spanish, Chinese, Korean and Hebrew.

For a book signing during the promotional tour for his comedy/adventure novel *AI! PEDRITO!*, Anderson broke the Guinness World Record for "Largest Single-Author Signing," passing the previous records set by Gen. Colin Powell and Howard Stern.

Kevin worked in California for twelve years as a technical writer and editor at the Lawrence Livermore National Laboratory, one of the nation's largest research facilities. At the Livermore Lab, he met his wife Rebecca Moesta and also his frequent co-author, Doug Beason. After he had published ten of his own science fiction novels to wide critical acclaim, he came to the attention of Lucasfilm, and was offered the chance to write Star Wars novels.

The novels in his Star Wars Jedi Academy trilogy became the three top-selling science fiction novels of 1994. He has also completed numerous other projects for Lucasfilm, including the 14 volumes in *The New York Times* bestselling Young Jedi Knights series (co-written with his wife Rebecca Moesta). His three original Star Wars anthologies are the bestselling SF anthologies of all time.

Kevin is also the author of three hardcover novels based on the X-Files; all three became international bestsellers, the first of which reached #1 on the *London Sunday Times* bestseller list. *Ground Zero* was voted "Best Science Fiction Novel of 1995" by the readers of *SFX* magazine. *Ruins* hit *The New York Times* bestseller list, the first X-Files novel ever to do so, and was voted "Best Science Fiction Novel of 1996."

Kevin's thriller *Ignition*, written with Doug Beason, has sold to Universal Studios as a major motion picture. Anderson and Beason's novels have been nominated for the Nebula Award and the American Physics Society's "Forum" award. Their other novels include *Virtual Destruction*, *Fallout*, and *Ill Wind*, which has been optioned by ABC TV for a television movie or miniseries. His collaborative works include *ARTIFACT* (Forge Books; May 2003), a thriller written with F. Paul Wilson, Janet Berliner, and Mathew Costello; and *DUNE: THE BATTLE OF CORRIN* (Tor Books; August 2004) written with Brian Herbert, Book 3 of their acclaimed *Legends of Dune* trilogy, and the sequel to the bestsellers *DUNE: THE BUTLERIAN JIHAD* and *DUNE: THE MACHINE CRUSADE*.

Kevin's solo work has garnered wide critical acclaim; for example, *Climbing Olympus* was voted the best paperback SF novel of 1995 by *Locus Magazine*, *Resurrection, Inc.*, was nominated for the Bram Stoker Award, and his novel *Blindfold* was a 1996 preliminary Nebula nominee. Anderson has written numerous bestselling comics, including Star Wars and Predator titles for Dark Horse, and X-Files for Topps.

Kevin's research has taken him to the top of Mount Whitney and the bottom of the Grand Canyon, inside the Cheyenne Mountain NORAD complex, into the Andes Mountains and the Amazon River, inside a Minuteman III missile silo and its underground control bunker, and onto the deck of the aircraft carrier Nimitz, inside NASA's Vehicle Assembly Building at Cape Canaveral. He's also been on the floor of the Pacific Stock Exchange, inside a plutonium plant at Los Alamos, behind the scenes at FBI Headquarters in

Washington, DC, and out on an Atlas-E rocket launchpad. He also, occasionally, stays home and writes. Kevin and his wife, writer Rebecca Moesta, live in Colorado.

Users Review

From reader reviews:

James Edwards:

Have you spare time for just a day? What do you do when you have much more or little spare time? Yep, you can choose the suitable activity for spend your time.
