'This series is so great for the kiddos. We had a day in Barcelona, and this was such a wonderful book for us and the three kids (5-13 years old). It was good for them and us parents...This book turned my 13 year old into a tour guide while my wife and I held hands walking down La Rambla. Awesome!' -John A. Santiago

'We took our 8 and 9 year old children to Europe for the first time this year, and used this as our guide in Barcelona...What a fantastic resource!...Both of them were eyes-wide-open looking for items in the book, which made everything more interesting for them (and then we didn't have any whining about more churches or sightseeing). Highly, highly recommend...' -Ibsells

'This was a great way to explore beloved Barcelona with my 7 year old daughter. She learned so much from this book, citing stories and tidbits as we hoofed from place to place. The historical anecdotes presented in this creative way will stick with her.' -Jen F.
