Pelican Point (Bachelors of Blueberry Cove) By *Donna Kauffman*

"Charming characters, emotion galore, a small town--you're going to love Donna Kauffman!" --Lori Foster

Blueberry Cove, Maine, is as small-town as small towns get. More than a little quirky, it has sheltered generations of families. But there's always room for a new face . . .

Fixing things has always been Alex McFarland's greatest gift and keenest pleasure. But with her own life thoroughly broken, she's signed on to renovate the dilapidated Pelican Point lighthouse, hoping to reconnect with herself. The last thing she expects is to find herself falling in love--with the glorious coastline, with age-old secrets and welcome-home smiles. . .with rugged Logan McCrae, the man she just might be able to build new hopes on.

DIY is so much better with two. . .

Includes an easy do-it-yourself restoration project!

"Humor, heart, and characters you wish lived next door." --Mariah Stewart

Editorial Review

Review

"A touching romance that offers healing and redemption to two lonely hearts who fall into a love they don't even realize they're looking for. The first of a series, the book introduces a quirky community and secondary characters with enough personality to make readers want to come back. A light romance with a touch of heat, a pinch of intensity and a dash of mysterious small-town magic." -- *Kirkus Reviews*

"Donna Kauffman's sexy, fun, and moving Pelican Point is a five star winner! I enjoy Kauffman's deft touch with characters and absolutely love stories set in Maine. But this book surpassed my expectations. I highly recommend Pelican Point with a five star salute and look forward to the next book in the series, Half Moon Harbor, to be released in April 2014. An excerpt is contained at the end of Pelican Point and am really looking forward to hearing more of Brodie's Irish brogue." -- Emsy Van Wyck, *Fab Fantasy Fiction*

"*Pelican Point* is the first in a new series...called the *Bachelors of Blueberry Cove*. Kauffman is known for writing humorous and witty stories, and Pelican Point has that in its favor. Add in a small coastal town in Maine with a historical lighthouse...and an interesting cast of secondary characters, and readers who enjoy descriptive small-town contemporary romances will delight with this one. With equal parts humor and character drama, and a storyline and sweet romance that flows nicely, Pelican Point is a great welcome to Blueberry Cove. 4 Stars" Susannah Balch, *RT Book Reviews*

"If you like Jill Shalvis' *Lucky Harbor* series and Susan Mallery's *Fool's Gold* tales, you are going to love Donna Kauffman's fabulous stories set in Blueberry Cove. *Pelican Point* is a poignant, sweet, tender and steamy love story with a gorgeous hero you'll adore and a fabulous heroine you cannot help but love. Add a cast of eccentric but charming supporting characters, humour, pathos and charm and you've got a book that's simply too good to miss!" -- Julie B, *Bookish Jottings*
