Shadowlands By Kate Brian

Rory Miller had one chance to fight back and she took it. Rory survived ... and the serial killer who attacked her escaped. Now she must enter the witness protection program. At first it seems like her family's new home may be just the fresh start they need. But just as they're starting to feel safe again, one of Rory's new friends goes missing. Is it a coincidence? Or is the nightmare beginning all over again? New York Times best-selling author Kate Brian is back with a haunting new YA series packed with dark twists and turns.

Editorial Review

From School Library Journal

Gr 8 Up-Rory Miller has just barely survived an attempt on her life. Her attacker, serial killer Steven Nell, is on the loose, so Rory, her father, and her sister must enter a witness-protection program. As the family begins a new life in the vacation town of Jupiter Landing, it appears as if this place could provide the fresh start they all need. Rory and Darcy have been at odds for years. They meet a group of popular teens and party on the beach, hike, and surf. Just as the Millers start to feel at home in their new town, one of their friends goes missing. Rory wonders if this is just a coincidence or if it has something to do with Steven Nell, and she notices that things are amiss in Jupiter Landing. One of the local guys lurks around where ever she goes. Then other people start disappearing, but Rory is the only person who notices. In an interesting ending, Shadowlands leaves readers surprised and eager for the next installment in the trilogy. Teens who like chick lit and bit of a mystery will enjoy this one.-Shannon Seglin, formerly at Patrick Henry Library, Vienna, VA(c) Copyright 2011. Brian's staple milieu—stylish teens living soap opera-worthy lives—gets a supernatural twist in this uneven series opener. When Rory escapes a vicious killer, the FBI assures her they will catch him. In the meantime, she and her family are given new identities and sent to a secret location. They arrive in Juniper Landing, an idyllic vacation island, seemingly without incident, though Rory is troubled by nightmares of the killer murdering them on the road. Rory and her sister, Darcy, join a crew of insouciant, beautiful people who party all the time, but Rory senses something is wrong. People keep disappearing, and while she is sure the killer is responsible, everyone else seems suspiciously unconcerned. Many readers will figure out the paranormal twist long before the reveal, and while Brian builds a strong sense of menace, the abrupt ending leaves most of the interesting questions unanswered. Plot improbabilities, such as the stunning ineptitude of the FBI, and undifferentiated characters hamper what could have been a compelling mystery. Brian's fans will nevertheless find much of what they're looking for. Grades 9-12. --Krista Huley

About the Author

Kate Brian is the New York Times bestselling author of the Private and Privilege series. Her other novels include *Fake Boyfriend* and *Megan Meade's Guide to the McGowan Boys*.

Users Review

From reader reviews:

Raymond Llamas:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't wish do that. You must know how great in addition to important the book *Shadowlands*. All type of book can you see on many solutions. You can look for the internet resources or other social media.

Erin Mohammad:

Precisely why? Because this Shadowlands is an unordinary book that the inside of the guide waiting for you to snap this but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who write the book in such awesome way makes the content inside of easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to postpone having that book? If I ended up you I will go to the reserve store hurriedly.

Sandra Kelley:

Beside this specific Shadowlands in your phone, it can give you a way to get more close to the new knowledge or data. The information and the knowledge you might got here is fresh from oven so don't always be worry if you feel like an aged people live in narrow commune. It is good thing to have Shadowlands because this book offers to you personally readable information. Do you often have book but you don't get what it's all about. Oh come on, that would not happen if you have this inside your hand. The Enjoyable option here cannot be questionable, like treasuring beautiful island. Use you still want to miss the item? Find this book along with read it from now!

Alice Weaver:

Is it you actually who having spare time then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This Shadowlands can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these ebooks have than the others?
