Space. Some call it the ultimate frontier. Humans are the verge of breaking its bonds with Earth and reaching other planets, other worlds, other galaxies. And when we do, will we go forth in peace? Or take with us our conflicts, our battles, our wars?

In this latest title in the acclaimed Future Chronicles series of speculative fiction anthologies created by award-winning author and series editor Samuel Peralta, twelve authors take us on that incredible journey with adventurers, colonists, and space marines as they push the boundaries against the unknown, against alien empires, and themselves.

The Galaxy Chronicles features stories by *USA Today* and *Amazon* bestselling authors Nick Webb, Raymond L. Weil, Jasper T. Scott, plus nine more of today's top authors in speculative and science fiction.
