## **Editorial Review**

### **Review**

I resisted reading *Visions of Glory* for quite some time. After reading other books by Brother John, (as he would sign off on his blog), and having many friends recommend it, I could no longer put it off. The insights gained from reading this book have been almost overwhelming. Whether you find the story believable or not, it certainly gives one something to ponder. It is important to remember that these visions were specific to one person and not intended to be prophetic or supersede any counsel from LDS General Authorities. I did find however, my mind was opened to a better understanding of certain principles and scriptures. This has lead to many personal meditations and realizations regarding our purpose in life. Always follow the living prophet! Seek personal revelation! Live righteously! And, recognize the worth of a soul is great! I highly recommend this book! --Amazon

I was very critical of this book, at first... but I allowed myself to read it (listened to audiobook) simply as someone's story, and not an attempt to create a new prophecy, or a scripture, but simply a vision of the brother, who was trying to share with the world about their life and the visions that they have experienced. This book affected me in such a way that my love for the Savior has grown since and this vision sort of became my own. Being a church member, a lot of things actually felt very close to my heart. I wasn't sure, at first, if I should take any of that to heart, but I prayed to Heavenly Father and received some amazing inspiration through the author's story. The Second Coming of the Lord now seems even more realistic and a lot of events described in this book seem very very plausible. Then again, I don't believe that anyone should take any of these as direct events and facts that will take place in specifically the same ways. The "Afterward" mentions that some of the events change from fact to a metaphor and this change is ongoing. I recommend this book! if you are not a member of the Church of Jesus Christ of Latter Days Saints, try to read this without prejudice, if you are a member, ask God for guidance and some amazing things may be opened to you. --Amazon

What an awesome book!! While it's an account of one man's personal experience and visions it is interesting to read what he saw and experienced. It really is an eye opener and puts things in a whole new perspective to some of the 'behind the scenes' stuff we don't normally see, hear or realize exists and to what degree and in that kind of detail. There is no doubt in my mind this man experienced these things, that has been confirmed to me and I appreciate him sharing this for those who are ready to hear and learn from it. I love that he wants to remain unknown to keep the '15 mins. of fame' off of him for various, honorable reasons and keep it where we know it belongs to. He knows his place and makes it clear he's not trying to become above anything. That's a humble man and a true disciple of Christ. --Amazon

## **Users Review**

### **From reader reviews:**

#### **Alva Sexton:**

Information is provisions for folks to get better life, information currently can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is in the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you obtain the unstable resource

then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take *Visions of Glory: One Man's Astonishing Account of the Last Days* as the daily resource information.

### **Jessica Jones:**

The actual book *Visions of Glory: One Man's Astonishing Account of the Last Days* will bring one to the new experience of reading a new book. The author style to explain the idea is very unique. In the event you try to find new book to read, this book very ideal to you. The book *Visions of Glory: One Man's Astonishing Account of the Last Days* is much recommended to you to see. You can also get the e-book from the official web site, so you can more readily to read the book.

### **Alberta Keyes:**

Exactly why? Because this *Visions of Glory: One Man's Astonishing Account of the Last Days* is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who have write the book in such amazing way makes the content interior easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking way. So , still want to hold off having that book? If I ended up you I will go to the reserve store hurriedly.

### **Faye Michaels:**

This *Visions of Glory: One Man's Astonishing Account of the Last Days* is great reserve for you because the content which can be full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it info accurately using great coordinate word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with lovely delivering sentences. Having *Visions of Glory: One Man's Astonishing Account of the Last Days* in your hand like keeping the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world with ten or fifteen tiny right but this reserve already do that. So , it is good reading book. Hey Mr. and Mrs. hectic do you still doubt this?
