AGHORA, At the Left Hand of God By Robert E. Svoboda

A rare view into the life of a practicing Tantric master that takes us into realms of consciousness seldom visited yet clearly explained. Astounding tales by Vimalananda and his master yogi friends (one of whom has lived for centuries) reveal truths with eye-opening clarity. Aghora teaches that the world is not as it seems, that spiritual development is best promoted by embracing reality in all its aspects rather than renouncing the world, and that by giving oneself totally to the Great Mother one can break through into the Light. This account of a truly remarkable Tantric teacher of the most extreme type covers all facets of life and is required reading for anyone interested in knowing and experiencing Tantra.
