## Exploring Dark Dreams: A Beginner's Practical Guide to BDSM By Jake Daugherty

We all have private fantasies, dark desires that we hide away and dare not share with others. We keep them secret from spouses or partners. Sometimes we even deny them to ourselves.

The scent of leather as it warms against the wearer's body...the sudden darkness of a blindfold...the "smack" of a palm coming down across an upturned bottom...the cold, harsh feel of metal against tender skin...the mix of anticipation and sweat and arousal as control is relinquished and taken...Do you feel a curious fascination with ideas such as these? You are not alone. The appeal of bondage, of sexual Domination and sexual submission is nearly universal, even if most of us are too proper to acknowledge that we feel it.

But...what if you did acknowledge that call? What if you chose to share your private, naughty dreams with your mate and bring them to life rather than lock them away?

Exploring Dark Dreams is a how-to guide for those who dare to explore their private fantasies, those who might just be brave enough to reach out and embrace them. Narrated by real-life "Dominant" Jake Daugherty, with contributions by his intelligent and talented wife, Joy, Exploring Dark Dreams provides an entertaining and practical handbook to escort beginners into the practices of bondage, discipline, and sexual Domination and submission.
