Hard Charger (Flash Bang Book 2) By Meghan March

Hard Charger is a sexy new novella set in the world of Flash Bang by USA Today bestselling author Meghan March.

Lia has known true darkness—and not just because of the power grid failure nine months ago. She has faced evil and emerged a survivor. Now if she could just make the two men she wants see her as whole and not broken ... maybe she'd have a chance at the future she's determined to claim.

Cam and Travis have been brothers-in-arms since their days as Force Recon Marines, and there's nothing Cam wouldn't do for his best friend—except let him have the woman Cam's been patiently waiting for. But when Lia shocks him by saying she wants them both, he has the decision of a lifetime to make. Lose the girl, or lose his best friend.

In a world where nothing is certain, can three people find their way to love?

*Warning: This book includes two sexy as hell Marines, one strong woman determined to have them both, and a whole lot of sex—the dirty kind. Proceed at your own risk.

Editorial Review

About the Author

Meghan March has been known to wear camo face paint and tromp around in woods wearing mud-covered boots, all while sporting a perfect manicure. She's also impulsive, easily entertained, and absolutely unapologetic about the fact that she loves to read and write smut. Her past lives include slinging auto parts, selling lingerie, making custom jewelry, and practicing corporate law. Writing books about dirty talking alpha males and the strong, sassy women who bring them to their knees is by far the most fabulous job she's ever had. She loves hearing from her readers at meghanmarchbooks@gmail.com.

Users Review

From reader reviews:

Andrew Wilson:

The book Hard Charger (Flash Bang Book 2) can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book Hard Charger (Flash Bang Book 2)? Some of you have a different opinion about book. But one aim this book can give many information for us.
