Monica's Secret (Erogenous Zones Series Book 1) By Saskia Walker

Willingly bound and seduced by two masters...

Two men have walked in to Monica Evans' life, and it isn't ever going to be the same. Owen Clifford and his lover, Alec Stroud, are investigating fraud at Monica's place of work, a luxurious London hotel. From the moment they meet, the chemistry between the three of them is off the scale.

But Monica has a secret, and it isn't anything to do with fraud. Like her sisters, Monica is a psychic. In Monica's case the gift is psychometry—when she touches objects or people she can experience their sexual history. Can she ever truly share that with a lover, let alone two bisexual lovers? Something about Owen and Alec captures her though, literally. Willingly bound and seduced by two masters, Monica opens up to them, physically, emotionally, and psychically.

Owen and Alec have been looking for their third and they believe Monica might be the one to complete their lives. But Monica's secret isn't the only barrier these two have to break down in order to win their woman. Fraud, duplicity, and mysterious threats add to their complications. For Owen and Alec, the challenges are stacking up and the race is on.

Reader Advisory: This book contains graphic sex scenes including bondage, domination, MFM, and MM scenes. This book has been previously published with a different cover.
