Philosophical And Theoretical Perspectives For Advanced Nursing Practice (Cody, Philosophical and Theoretical Perspectives for Advances Nursing Practice) By William K. Cody

Philosophical and Theoretical Perspectives for Advanced Nursing Practice, Fifth Edition is included in the 2015 edition of the essential collection of Doody's Core Titles. Philosophical and Theoretical Perspectives for Advanced Nursing Practice, Fifth Edition continues as an essential source for articles addressing both philosophical and theoretical topics with an emphasis on evidence-based practice, values, person-centered care, and global perspectives. Similar to the previous edition, the Fifth Edition features a more selective and contemporary range of views and articles. In addition to comprehensive section openers, the selected articles enable students not only to understand nursing theories but also apply them effectively in nursing practice. Philosophical and Theoretical Perspectives for Advanced Nursing Practice, Fifth Edition contains expanded introductory sections, new material on evidence-based practice addressing patient autonomy and control of care, and discussion questions at the end of each chapter.

Editorial Review

About the Author

William K. Cody, RN, PhD, FAAN-Presbyterian School of Nursing - Queens University of Charlotte, North Carolina, North Carolina William Cody is Dean of the Presbyterian School of Nursing at Queens University of Charlotte. He was Chair of Family and Community Nursing at the University of North Carolina at Charlotte from 1997 to 2005, and has 27 years of experience in nursing. Cody holds a bachelor's degree in nursing from Regents College, Albany, NY, a master's in nursing from Hunter College, and a PhD, in nursing from the University of South Carolina. The author of nearly 100 publications on theory, research, and practice in nursing, Cody is perhaps best known as former Contributing Editor for Theoretical Concerns at Nursing Science Quarterly. Cody is a Fellow in the American Academy of Nursing and a Fellow in the Robert Wood Johnson Executive Nurse Fellows Program, which promotes senior leadership in healthcare. He is active in community health and HIV/AIDS care, and is a national leader in the contemporary nursing center movement.

Users Review

From reader reviews:

Bernard McLaren:

Precisely why? Because this Philosophical And Theoretical Perspectives For Advanced Nursing Practice (Cody, Philosophical and Theoretical Perspectives for Advances Nursing Practice) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who have write the book in such amazing way makes the content inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking technique. So , still want to hold up having that book? If I were being you I will go to the reserve store hurriedly.

Fred Green:

Philosophical And Theoretical Perspectives For Advanced Nursing Practice (Cody, Philosophical and Theoretical Perspectives for Advances Nursing Practice) can be one of your basic books that are good idea. Many of us recommend that straight away because this book has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining but delivering the information. The article writer giving his/her effort to put every word into joy arrangement in writing Philosophical And Theoretical Perspectives For Advanced Nursing Practice (Cody, Philosophical and Theoretical Perspectives for Advances Nursing Practice) nevertheless doesn't forget the main place, giving the reader the hottest and also based confirm resource details that maybe you can be among it. This great information could drawn you into completely new stage of crucial considering.

Matilda Greiner:

That e-book can make you to feel relax. That book Philosophical And Theoretical Perspectives For Advanced Nursing Practice (Cody, Philosophical and Theoretical Perspectives for Advances Nursing Practice) was multi-colored and of course has pictures around. As we know that book Philosophical And Theoretical Perspectives For Advanced Nursing Practice (Cody, Philosophical and Theoretical Perspectives for Advances Nursing Practice) has many kinds or type. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and think that you are the character on there. Therefore not at all of book usually are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book in your case and try to like reading that will.

Matthew Thompson:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Philosophical And Theoretical Perspectives For Advanced Nursing Practice (Cody, Philosophical and Theoretical Perspectives for Advances Nursing Practice) can make you feel more interested to read.
