The NFL is undoubtedly the most popular sport in America. After that? It's the NFL Draft, of course. Sure, it's not technically a sport, but the draft receives as much attention - from both media and fans - as any sporting event in the calendar year. From early February through late April, one subject dominates talk radio and Internet message boards in NFL cities: Which player will my team select in the first round? Once again, we've enlisted one of the category's true experts, Dan Shonka from Ourlads Scouting Services, to provide our scouting reports and rankings. Dan has served as the general manager and national scout for Ourlads since 2004. Prior to that, he spent over three decades in the game as a coach and scout. He has a combined 17 years of experience working for professional football teams, including the Eagles, Redskins and Chiefs in the NFL and the Philadelphia Stars in the USFL. Clearly, Dan knows his football and knows how to evaluate talent. With Dan's guidance, Athlon Sports NFL Draft Guide dives deep into the 2016 draft class with in-depth scouting reports on 218 of the top prospects and position-by-position rankings of 554 draft-eligible players. We also take a detailed look at every NFL team with depth charts and needs for the upcoming season. Our draft magazine also includes a profile of sure first-rounder Joey Bosa, a mock draft, a draft board, a peek ahead at the 2017 draft and much more. Athlon Sports NFL Draft Guide offers the most complete preview of the 2016 draft. Order your copy now!
