Beautiful Oops! By Barney Saltzberg

A life lesson that all parents want their children to learn: It's OK to make a mistake. In fact, hooray for mistakes! A mistake is an adventure in creativity, a portal of discovery. A spill doesn't ruin a drawing—not when it becomes the shape of a goofy animal. And an accidental tear in your paper? Don't be upset about it when you can turn it into the roaring mouth of an alligator.

An award winning, best-selling, one-of-a-kind interactive book, *Beautiful Oops!* shows young readers how every mistake is an opportunity to make something beautiful. A singular work of imagination, creativity, and paper engineering, *Beautiful Oops!* is filled with pop-ups, lift-the-flaps, tears, holes, overlays, bends, smudges, and even an accordion “telescope”—each demonstrating the magical transformation from blunder to wonder.

Editorial Review

Review

A pleasingly tactile exploration of the possibilities inherent in mistakes. "A torn piece of paper... is just the beginning!" Spills, folded paper, drips of paint, smudges and smears—they "all can make magic appear." An increasingly complex series of scenarios celebrates random accidents, encouraging artistic experimentation rather than discouragement. The folded-over paper can be a penguin's head; a torn piece of newsprint can turn into a smiling dog with a little application of paint; a hot-chocolate stain can become a bog for a frog. Thanks to a telescoping pop-up, a hole is filled with nearly limitless possibilities. The interactive elements work beautifully with the photo-collaged "mistakes," never overwhelming the intent with showiness. Saltzberg's trademark cartoon animals provide a sweetly childlike counterpoint to the artful scribbles and smears of gloppy paint. A festive invitation to creative liberation. - *Kirkus Reviews*

"Clumsy kids will appreciate Barney Saltzberg's imaginative book, which shows how mistakes (spills, tears, stains) can turn into something wonderful." - *Parents Magazine*

Users Review

From reader reviews:

Marie Clayton:

Book is actually written, printed, or created for everything. You can recognize everything you want by a reserve. Book has a different type. As we know that book is important issue to bring us around the world. Beside that you can your reading skill was fluently. A guide Beautiful Oops! will make you to become smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think that will open or reading some sort of book make you bored. It's not make you fun. Why they could be thought like that? Have you in search of best book or suited book with you?

Omar Lamm:

As people who live in typically the modest era should be update about what going on or information even knowledge to make these individuals keep up with the era which can be always change and advance. Some of you maybe may update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know what one you should start with. This Beautiful Oops! is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and want in this era.

Jeffrey Messina:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book has been rare? Why so many query for the book? But just about any people feel that they enjoy intended for reading. Some people likes studying, not only science book but novel and Beautiful Oops! or others sources were given expertise for you. After you know how the good a book, you feel would like to read more and more. Science reserve was created for teacher or students especially. Those books are helping them to put their knowledge. In some other case, beside science guide, any other book likes Beautiful Oops! to make your spare time far more colorful. Many types of book like here.

Cherry Simard:

What is your hobby? Have you heard this question when you got scholars? We believe that that question was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you know that little person like reading or as reading become their hobby. You must know that reading is very important and book as to be the matter. Book is important thing to increase you knowledge, except your current teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is Beautiful Oops!.
