### **Fire and Steel, Vol. 3: The Shadow Falls** By Gerald N. Lund

How do good people mistake evil for good? Is it possible for an entire nation to be deceived?

In the third volume of master storyteller Gerald N. Lund's dynamic new series, the Eckhardt family finds itself clinging to hope in a nation on the brink of collapse. Work is scarce, food has become an extravagance, and money is practically worthless. War-torn Germany has been battered down and humiliated on an international scale, and the people have lost the pride and conviction that once carried them.

Living in such desperate circumstances leaves the people vulnerable to fall for a wolf in sheep's clothing, and Hans Eckhardt is not immune. His friend Adolf is charismatic, driven, a man of vision—seemingly, everything that Germany needs. While a few suspect that this rising new political leader may not be the rescuer they seek, many more are quick to turn a blind eye to the warning signs.

But there are bright spots amid the bleakness. Faith and family continue to provide joy and solace as life journeys forward. And a visit from two former LDS missionaries and their families brings a spark of excitement to the Eckhardts. Family life seems to be the one area unmarred by the turmoil all around them—until personal tragedy strikes.

Join the Eckhardts and their American friends the Westlands as they unknowingly dive into a momentous turning point in the world's history.
