### Instant Gratification (Wilder Book 2) By Jill Shalvis

Stone Wilder is no less a daredevil bad boy than the rest of his brothers, especially when the thrill of a lifetime is about to arrive in a surprising package. . .

#### The Doctor Is In Deep

Wishful, California, is 3000 miles from Dr. Emma Sinclair's last job in a New York City ER. Running her father's clinic for a summer, Emma treats bee stings, stomach flu, and the occasional pet cat. Then there's Stone Wilder: gorgeous, laid-back, and irritating beyond belief. Emma loathes him. Almost as much as she wants to throw him on her examining table and break every doctor-patient rule in the book. . .

#### Paging Dr. Sinclair. . .

"Shalvis writes with humor, heart, and sizzling heat!" --Carly Phillips

"A total original! Humor, intrigue, and scintillating sex. It doesn't get any better!"  
--Suzanne Forster
