Editorial Review

Review

*Nina G. Jones continues to prove herself a master storyteller with this book. Her pacing is a stroke of genius. There are several bombs to be dropped in this book and she takes her time with every single one of them setting them up perfectly and then gently places them right in your lap, wrapped up in a pretty black bow."- **Wicked Women Book Blog***

*"Another great book by Nina G. Jones, her writing sucks you in. She knows how to make you think and twist your thoughts, which I loved. Can't wait for book three. Another must read for me."- **Fiona's Book Reviews***

*"The ending blew me away. It had me on the edge until the very end. I held my breath until that very last sentence. I kept wanting to skip to the end because I HAD to know what was going to happen-I was good though and I read each and every word. "- **Sarah Says: Read Romance***
