### The Power of I AM - Volume 2 From Shanon Allen

What goes along with the saying of God's name, I AM? Very little seems to be known, even in today's world, about the mystical nature and power that goes with saying I AM. The Power of I AM and The Power of I AM Volume 2 will reveal to the reader what the ancients appear to have known about this mystical name. All day long, mankind is using the name of God and for the most part they are unaware that they are asking for anything, by what they attach to it. When speaking the name of God (I AM) it should be remembered that we should only attach those things that we desire to have happen to us or have in our lives, as our words do not return to us void. Always speak it upward and never downward. What we attach to our I AM, we are asking for in God's name. To know this, is power. To only attach what we desire, to our I AM, is wisdom.
