Determine Your Future by the Words You Speak Today

In *The Power of Your Words*, Robert Morris tells us that there are three types of people: (1) those who think before they speak; (2) those who think while they speak; and (3) those who think after they speak. Which one are you? If you were told that God records every word you speak, would this help you to think before you speak?

We all know that words carry enormous power-the power to heal or to wound, to encourage or to dishearten, to speak truth or to deceive, to praise or to criticize. They can be the key to our success or the reason for our downfall. So, how do we harness that power? How do we learn to use our words to their greatest potential?.

*The Power of Your Words* will take you on a journey of discovery into more than just the obvious physical and emotional impact your words can have; this is a journey that will help you understand the spiritual force inherent in every word you speak. Find out how to live more freely; how to connect more meaningfully; how to undo the damage of your words; and, most important, how to pause, ponder, and then pray before speaking.

Robert Morris wants you to know that good words last and carry enormous power to help, heal, encourage and move us to a greater level of living. When you say something positive or encouraging to your spouse, to your kids or to your friends, your words will last forever.
