**The Stowaway: Stone of Tymora, Book I** By R.A. Salvatore, Geno Salvatore

From the author of more than a dozen *New York Times* best sellers and his son, comes the first installment of a brand-new fantasy trilogy written just for young readers...

Barely a teen and already guarding a secret that could jeopardize his young life, Maimun is marked for death. With the help of a mysterious stranger, the boy escapes his village and flees out to sea, stowing away on the pirate hunting ship, Sea Sprite, where he comes across a most unlikely ally: the dark elf Drizzt Do'Urden. With a half-demon determined to destroy him, and a crew of sailors resentful of the trouble he's caused, Maimun must find the courage to prove his worth, both to his friends and to himself.

Nearly two decades ago, R.A. Salvatore introduced the world to Drizzt D'Urden in a series that has since become a fantasy classic and a consistent presence on best seller lists. Now, for the first time, Salvatore partners with his son Geno to craft a brand-new story just for young readers, featuring a cameo of the most beloved fantasy character of all time.

For young readers seeking the next great fantasy saga or for long-time fans who can't miss any installment in the Drizzt saga, this book delivers all the action, intrigue, and magic you've come to expect from the Salvatore name.

### Editorial Review

#### From [Booklist](#)

Adult fantasy writer R. A. Salvatore—popular for novelizing the Dungeons & Dragons campaign setting of the Forgotten Realms—teams up with his son, Geno, to offer this first entry in the Stone of Tymora series, the first Forgotten Realms fantasy to be aimed specifically at young readers. Of course, many of those readers will be well versed in the adventure-ready world and appreciate the cameo from the much-beloved character Drizzt Do'Urdan. The focus of this tale is on Maimum, a young orphan boy who has been bequeathed a stone imbued with mysterious powers. Most of the book takes place on various ships at sea, as the boy and his protector fend off pirates, beasties, and a maniacal demon. A few slightly moralistic messages pop up, but are light enough to blow away when the swords start swinging. This will be a hit with readers more concerned with character classes (dark elves, pirate trolls) than character development; the lucidly described action and swift pace will keep the pages turning and anticipation of further adventures simmering. Grades 5-8. --Ian Chipman
