### Words Aptly Spoken By Moorehead Bob

I want authentic Christianity...the kind that pulls down Jericho's walls; that walks on water; that raises the dead; that heals the sick and transforms the lost. I want a Christianity that puts me into the thick of battle, that makes me different, and one that's worthy of the Name that is above all Names. I want a Christianity that brings a cross at the center of my walk, a gate at the end of my journey and a voice at the close of my pilgrimage that says, "WELL DONE." How do you feel about your Christianity? Is it authentic? Is it radical? Bob Moorehead offers up food for thought on Christianity, Commitment, Conviction, Discipleship, Identity, Marriage, Prayer, the Return of Christ and Special Seasons. This book is a collection of favorite monologues that Bob has used in sermons and on the radio. Sit back and get ready to be inspired and uplifted by these tasty tidbits of wisdom.
