## Writing with Stardust: The Ultimate Descriptive Guide for students, parents, teachers and writers From Liam O' Flynn

'Writing with Stardust' will launch your writing skills into a different orbit. It not only shows you how to write, it teaches you to look at the world with an artist's eye.

Spring is nature's defibrillator. In the same way, the techniques used here will be the high voltage pacemaker you have been looking for in your writing.

Ready to greet you are females with constellation-blue eyes and megawatt smiles. Males with Hercules-gold hair move like panthers in slow-mo. Thumb plump bumblebees, wings a-thrum, loot from honeypots of mustard-gold flowers. Willowy waterfalls swoop into infinity pools while the stars above sparkle like angel fire. Pine and peat, mint and meringue; all the smells and tastes you could wish for are inside. Join me on a multisensory voyage of discovery that will change the way you think forever.

Nature can be a cruel mistress, however. Blood-red moons leer over boiling seas while mariners try to defy ancient curses. Grim faced men fight for their lives under starless skies and sun blasted deserts burn hotter than Greek fire. You will encounter scary monsters, clouds that wear the garb of the damned and lightning that flashes like the cold, gold prongs of the Apocalypse.

Written in 5 different levels of ability, from novice to scribe, 'Writing with Stardust' will change the way you think about descriptions forever.
