### Editorial Review

From Publishers Weekly

A cast of fascinating characters populates the Nebraska farmland where Harrison's fine new novel is set. First among these is Dalva Northridge, a passionate and unconventional woman who, at 45, begins searching for the illegitimate son she bore 30 years earlier. While flashbacks explore Dalva's teenage romance with her son's father, a half-Sioux youth, the story is carried forward through Dalva's current relationships with her wealthy family and with Michael, a history professor. The middle portion of the book, narrated by the alcoholic and debauched Michael, brings a shift in mood. Michael, who is living at the Northridge family ranch while researching journals left by Dalva's great-grandfather, proceeds toward his own incapacitation at a Rabelaisian pitch. Woven through Michael's narrative are excerpts from the journals, which have a great relevance to the history of Nebraska's Native Americans. Harrison (Sundog) offers almost an embarrassment of riches here. Digressing stories of a large number of characters while they add to the rich texture of the novel sometimes deflect attention from Dalva herself. That is a small caveat, however, about this lyrical and atmospheric book, which is entertaining, moving and memorable.

From Library Journal

Dalva has traveled the world doing a variety of jobs, alternately haunted and driven by men: a half-breed Sioux, her half-brother, whose child she bore, and gave up for adoption, at 16; an obsessed great-grandfather, who came to Nebraska as a missionary; an alcoholic college professor who uses her as a crutch as he blunders toward tenure. The reconciliation of the various elements in her life is precipitated by a return to her Midwestern roots, where she acknowledges her family's eccentricities and her own wasted years. In the process a vivid panorama of Nebraska history is revealed through her own poignant memories and the tormented journals of her great-grandfather. A compelling novel, essential for fiction collections. Thomas L. Kilpatrick, Southern Illinois Univ. at Carbondale Lib.

Review

Louise Erdrich *The Chicago Tribune* Monumental...Bighearted, an unabashedly romantic love story...There is no putting aside *Dalva*.

*The Los Angeles Times Book Review* Jim Harrison's *Dalva* is the story of a remarkable modern woman's search for her son....Harrison beautifully conveys Dalva's essential femininity...Dalva asserts that she has never been seduced -- has always, subtly, done the seducing of lovers herself...Harrison's *Dalva* may well seduce you, too.

*The Washington Post Book World* Dalva...is that rare fictional creation, a character whom the reader dearly would love to meet.

*The Boston Globe* Harrison's stories move with random power and reach in the manner of Melville and Faulkner.

*The London Sunday Times* Jim Harrison is a writer with immortality in him.

Louise Erdrich *Chicago Tribune* Fascinating...a work of humor and a unified lament....Voices that cut through time and cross the barriers of culture and gender to achieve a work in chorus ...there is no putting aside

*Dalva* until the time bombs go off, the identities are revealed, and the skeletons almost literally tumble from the closets...*Dalva* is suspended in its own beauty...a book to...read with trust and exuberance.

*Publishers Weekly* Entertaining, moving, and memorable...a cast of fascinating characters.

*The New York Times Book Review* Harrison's storytelling instincts are nearly flawless...The people in *Dalva* reemerge as full-blooded individuals who almost incidentally embody much of the innocence, carelessness, and urgency that played so large a part in the settling of this country. Best of all, perhaps, are Mr. Harrison's descriptions of the land -- the untamed deserts, plains, forests, and arroyos of what was once the Western frontier...tough but rhapsodic language.

*San Francisco Chronicle* A fascinating novel about an American woman...Harrison uses his pen as a sword to right wrongs and settle scores....He takes bigger risks, letting go of old habits and surrendering to his own impassioned imagination.
