### Disney Lands (Kingdom Keepers: The Return) By Ridley Pearson

With the defeat of the Overtakers behind them, the five teenagers known as the Kingdom Keepers should be celebrating. By all accounts they saved Disneyland from certain destruction. Why then did their mentor leave one last puzzle for them to decipher? The Keepers must solve a puzzle of the past, or be crushed under an evil that makes the Overtakers seem like gentle souls.

## **Editorial Review**

From School Library Journal

Gr 5–8—With the defeat of the Overtakers behind them, the five teenagers known as the Kingdom Keepers have their futures set. Finn, however, has a nagging feeling that not everything is as it seems. The fountain pen the teens used to save the Magic Kingdom is not on the archive list for Walt Disney's desk. When he finds some coded messages from his late friend Wayne, Finn realizes that there is an unknown evil trying to destroy the Magic Kingdom, but the other Kingdom Keepers don't believe him. Can Finn convince them that danger remains? Macleod Andrews's original narrative style brings Finn's world to life. Andrews easily navigates between the past and present and seamlessly flows between action and dialogue scenes. **VERDICT** Listeners who love fantasy, adventure, and mystery will enjoy this fast-paced book. And though it is the first book in a spin-off series, this opener will especially appeal to fans of the author's "Kingdom Keepers" books.—Jessica Moody, Olympus Junior High, Holladay, UT

## **Review**

The Kingdom Keepers travel back in time to the beginning of Walt Disney's parks in this series opener linked to Pearson's popular Kingdom Keepers books. With the Overtakers supposedly defeated, the five members of the Kingdom Keepers are focused on their futures. Yet Finn isn't so sure that the parks are safe and believes that Wayne left a final message for them, which will be critical to the future of the parks. But the other Keepers are not convinced and urge Finn to give it up. Putting his relationship with the other Keepers at stake, Finn begins to explore Wayne's final message on his own. Meanwhile, Amanda and Jess are finding their own way at the Disney School of Imagineering. Jess is recruited to a new service where she learns disturbing news about the future of the Keepers. In this first, fast-paced installment packed with quick-fire chapters, multiple story lines and mysteries are introduced but few are resolved, whetting readers' appetites for future books in the series. Hand to fans of Pearson's other Disney-centric series. Eve Gaus Booklist"
