## **Editorial Review**

### **About the Author**

Cherylann Thomas currently lives in the Okanagan Valley of British Columbia, Canada. She spends her time reading, writing, gardening, and spending quality time with her grandchildren. She loves to travel, especially with Amanda and hopefully soon to be Tyler. She hopes to explore more on the subject of psychopathy and to help educate victims of their abuse and how to save themselves from their abusers. Cherylann is planning to write a book to assist teenaged parents in raising their children to be healthy and happy adults. She has completely moved on from the family she grew up with so that she could begin to heal while continuing to help others in their quest for release from psychopaths and malignant narcissists.
