Editorial Review

About the Author

Kevin Trudeau is fast becoming the nation's foremost consumer advocate and exposer of corporate and government corruption. Claiming to be a secret covert operative for almost twenty years, Kevin knows from personal experience how big business and government try to debunk individuals who promote products that could hurt the profits of giant multinational corporations. Trudeau spends most of his time spearheading a website that promotes education about natural healing therapies and a website that exposes corporate and government abuse and corruption. He is actively pursuing lawsuits against the individuals, corporations and government agencies that take advantage of the average consumer. He is also dedicated to the formation of various foundations to pursue these goals, and intends to donate much of his fortune for that purpose.
