Girlfriend 911: Decoding Dating & Rescuing Relationships One Girlfriend at a Time By Jacquee Kahn

It's been said Albert Einstein defined insanity as doing the same thing over and over again, and expecting a different result. In her eye-opening book, Girlfriend 911, relationship "guru" Jacquee Kahn puts an end to the insanity with a step-by-step guide to rescuing relationships in trouble, and helping single women find and keep "Mr. Right." Often referred to as the "Super Nanny for Women"—a nod to no-nonsense parenting expert Jo Frost—Kahn's approach is concise, straight-forward, and backed by proven results. Based on years of helping her girlfriends (and their girlfriends, and their girlfriends, and so on) with all sorts of relationship woes, Kahn devised a "formula" for attracting and maintaining a healthy relationship. She details her secret formula in Girlfriend 911, and provides easy-to-follow instructions, fascinating relationship "case studies," and extraordinary outcomes. In relatable, girlfriend-to-girlfriend language Kahn exposes the root cause of relationship failure, and skillfully illustrates how immediate the results can be once you get with the program. Girlfriend 911 is the relationship bible no girlfriend should be without! Girlfriend 911 is an invaluable tool for any woman, regardless of her relationship status. Single, dating, in a relationship, and even married women can benefit enormously from the Girlfriend 911 program and the lessons contained within.
