## Missing Kylie: A Father's Search for Meaning in Tragedy By Mark Myers

None of us like to hear the word *No* – especially as an answer to our prayers. So how does a father reconcile a lifelong faith in God when confronted with the word *no* regarding something as critical as the healing of his youngest child?

This book is a two year journey through that wilderness of no. It contains few answers and many questions, but ultimately a faith that there is a loving God who chose a path we will never understand on this side of heaven.

When Kylie was diagnosed with cancer in April of 2014, her father believed that she would be completely healed and become a living testimony to God's faithfulness and goodness. That is not the story that God wrote. A writer and blogger, Mark began posting about his struggles of heart and faith with a unique ability to mix humor and heartache. His genuine and often raw style seemed to resonate with many hurting people and his words were shared on many platforms.

Upon Kylie's death in February 2015, he began a journey to find purpose among the ruins heaped on him, his family, and his faith – documenting both progress and set-backs. With several never-before published writings including an especially poignant letter written by Kylie just days before her death, this book is a compilation of blog posts and journal entries that allows you to walk alongside him for this season. It will bring both smiles and tears. You will feel his hope and faith while he faces the struggle, endures the pain of devastating loss, then embarks on a desperate search for meaning, while always: *Missing Kylie*.

**\*\*Proceeds from the sale of this book will be used to fight childhood cancer in memory of Kylie.**

### Editorial Review

#### Review

#### Finding purpose in pain...

"I started this book, *Missing Kylie* on a Sunday after church and finished at sunset. As one of Kylie's aunts, I had walked Kylie's cancer journey closely alongside the family but somehow reading Mark's book, I found myself taking a step back - almost as if I wasn't familiar with the story and experiencing it for the very first time. Even though I knew what was coming next, I felt so compelled to keep reading. The words were so very real, messy, raw, authentic and filled with vulnerability. I wept uncontrollably but in many ways, these tears were different than before-they brought some healing to my heavy heart. It is an important book for all to read. Because all of us, at some point in our lives, will face pain, loss, suffering and unbearable grief and we need to know that we are not alone and that God is still in control." (**Jodi Benson**, *Disney Legend, Voice of Ariel "The Little Mermaid", Broadway actress*)

### Users Review

#### From reader reviews:

##### Ashley Davis:

Book is actually written, printed, or outlined for everything. You can understand everything you want by a e-book. Book has a different type. As you may know that book is important factor to bring us around the world. Alongside that you can your reading skill was fluently. A book *Missing Kylie: A Father's Search for Meaning in Tragedy* will make you to possibly be smarter. You can feel far more confidence if you can know about every little thing. But some of you think which open or reading a book make you bored. It is not necessarily make you fun. Why they may be thought like that? Have you trying to find best book or suited book with you?

##### Rose Watkins:

The reason why? Because this *Missing Kylie: A Father's Search for Meaning in Tragedy* is an unordinary book that the inside of the guide waiting for you to snap that but latter it will surprise you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content on the inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I ended up you I will go to the publication store hurriedly.
