Night Kills (Frank Quinn series Book 3) By John Lutz

On The Trail Of A Bloody Killer...

Frank Quinn is sure he is hunting for a madman: someone who is shooting young women in the heart, defiling their bodies, leaving only the torsos to be found. Quinn, a former NYPD detective, is called into the case by an ambitious chief of police and mobilizes his team of brilliant law-enforcement misfits. But in the concrete canyons of New York, this shocking serial murder case is turning into something very different. . .

A Cop And A Victim Fight Back. . .

Jill Clark came to the city with too many hopes and too little cash. Now a seemingly deranged woman is telling her an extraordinary story. New to an exclusive dating service, Jill is warned that other women have died on their dates-and that she could be next. Struggling against a death trap closing in around her, Jill has a powerful ally in Frank Quinn. But no one knows the true motives behind a rampage of cold-blooded murder-or how much more terrifying this is going to get. . .

"Lutz is one of the masters."--Ridley Pearson

"A major talent."--John Lescroart

"I've been a fan for years."--T. Jefferson Parker
