Onslaught Cycle-Book (Magic: The Gathering) By J. Robert King

The first novel in an all-new *Magic (r)* novel cycle.

This is the first major novel release since the *Odyssey* cycle revamped a large part of the *Magic: The Gathering* world. This novel will reveal further changes to the Magic world.

The land is in upheaval.

The forest grows out of control. The mountains erupt. The seas boil. The swamps spew acid, and the plains turn to desert. Yet, amidst the turmoil there is civilization, brutal and unforgiving. Pit fighters battle to the death before tremendous crowds, making some rich, while others lose everything in one stroke of a sword.

The games must continue.

So must the struggle for survival.
