The Boyfriend List (A Forever Love Story) By Jeannie Moon

"Jeannie Moon always delivers a feel-good, warm-your-heart...story," (New York Times bestselling author Carly Phillips) and now the author of *The Second Chance Hero* and *The Wedding Secret* does it again with her new **Forever Love Story...**

Jenna Albanese planned it all out at thirteen when she listed the qualities she wanted in her perfect man. Years later, she thought she'd found him. When all she got was a broken heart, Jenna tucked away the boyfriend list—and her belief in happy ever after.

Nate Bayard has a life most people only dream of—he's a handsome high-caliber polo player and partner in a multibillion dollar business. But as intelligent and confident as he is on the field and in the boardroom, he's hopeless with women—until he meets the sweet and funny Jenna. She's just about perfect, and Nate's determined to make her his. There's just one little problem. Jenna's unwelcome past is about to make a comeback.

For Jenna, overcoming her mistrust in men—*particularly rich ones*—isn't going to be easy. Then she comes across that old boyfriend list and realizes that maybe it's time for another look and a few changes to bring a brand new beat to her romantic heart.

Editorial Review

Users Review

From reader reviews:

Sarah Fernandez:

Reading a book tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. Having book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some exploration before they write on their book. One of them is this The Boyfriend List (A Forever Love Story).

Ann Fortune:

The reason why? Because this The Boyfriend List (A Forever Love Story) is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your talent and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the publication store hurriedly.

Jewell Brundage:

Is it an individual who having spare time subsequently spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This The Boyfriend List (A Forever Love Story) can be the reply, oh how comes? It's a book you know. You are consequently out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

Henry Stehle:

Do you like reading a publication? Confuse to looking for your best book? Or your book seemed to be rare? Why so many problem for the book? But just about any people feel that they enjoy for reading. Some people likes looking at, not only science book but additionally novel and The Boyfriend List (A Forever Love Story) as well as others sources were given information for you. After you know how the truly great a book, you

feel desire to read more and more. Science e-book was created for teacher or maybe students especially. Those textbooks are helping them to add their knowledge. In some other case, beside science book, any other book likes The Boyfriend List (A Forever Love Story) to make your spare time much more colorful. Many types of book like this.
