The Complete Guide to Photographic Composition By Tony Worobiec

Composition is absolutely fundamental to great photography. It is also an extremely complex concept. But with the help of award-winning photographer **Tony Worobiec**, who has training and background in the visual arts, you will learn the theory, skills and techniques needed to achieve beautiful compositions, alongside Tony's inspiring and striking photographs. Progressing from a simple introduction to composition and conventional compositional techniques to post camera techniques, such as cropping for effect, as well as a discussion of more challenging concepts and alternative approaches to composition, such as using disharmony, eidetic images and the Gestalt Theory to create a heightened visual statement in your photography.
