### The Enforcer (Men Who Thrill Book 1) By Kaye Blue

I long ago accepted my place in the shadows.

My sole purpose is to enforce order in the chaos of the criminal world, to make sure that those who break the rules pay for their transgressions with their money or with their blood. There is no room for me in the “real” world.

Still...

When I look at her, her gentle smile, her beautiful brown skin, and the soft, beckoning curves of her body, I can't help but dream... It's foolish; she's too innocent, too kind for a monster like me, so I've been content to watch her from afar.

And then one day she spoke to me, and I knew my life—and hers—would never be the same...
