**The Secret Lives of Monks: From Atheism to the Zombie Apocalypse** By David Waywell

**Lo! On the second day, God said: let there be light entertainment. And thus were monks created!**

A book for atheists, agnostics, and perhaps a few believers too, *The Secret Lives of Monks* is your chance to join the only cult that promises more fun than a deep-sea baptism.

The monks might not help you save your soul but with their mixture of philosophy, stupidity, wit and irreverence, they might just make you laugh.
