## Editorial Review

From the Back Cover

**Secure venture capital?**

**Easy.**

Getting a business up and running or pushing a brilliant product to the marketplace requires capital. For many entrepreneurs, a lack of start-up capital can be the single biggest roadblock to their dreams of success and fortune. If you're an entrepreneur looking for hands-on guidance on how to secure capital for your business, *Venture Capital For Dummies* takes you step by step through the process and gives you the edge you need to succeed.

- **Nothing ventured, nothing gained** – get up-to-speed on venture capital basics, find out if working with a VC is right for you, and understand alternatives to VCs
- **Mirror, mirror on the wall** – find ways to become attractive to venture capitalists, position your company (not the product), cultivate relationships, and provide an exit strategy
- **It's a deal** – grasp the ins and outs of structuring pre-VC deals, leading the risk conversion, telling your valuation story, and negotiate your terms
- **Pitch it** – discover how to pitch to investors, from planning the pitch to making the presentation — and everything in between

**Open the book and find:**

- How a venture capital fund works
- What venture capitalists look for
- Ways to get into the venture capitalist mindset
- Advice on creating an online persona for your company
- Tips for making contact with investors
- The importance of cultivating relationships
- How to position your company to appeal to investors
- Ten ways to lose the deal (and how to avoid them)

**Learn to:**

- Find and secure venture capital for your business
- Gain traction to prove your company's potential to VCs
- Target and achieve key milestones for early-stage businesses

About the Author

## Users Review

**From reader reviews:**

**Carol Shull:**

What do you concerning book? It is not important together with you? Or just adding material when you need something to explain what your own problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? Every individual has many questions above. They must answer that question due to the fact just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on kindergarten until university need this Venture Capital For Dummies to read.

**Janice Wilham:**

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of book you read, if you want have more knowledge just go with schooling books but if you want feel happy read one together with theme for entertaining for instance comic or novel. The Venture Capital For Dummies is kind of e-book which is giving the reader unstable experience.

**Patricia Hooper:**

Reading can called brain hangout, why? Because if you find yourself reading a book mainly book entitled Venture Capital For Dummies your brain will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely will end up your mind friends. Imaging just about every word written in a e-book then become one application form conclusion and explanation this maybe you never get before. The Venture Capital For Dummies giving you an additional experience more than blown away the mind but also giving you useful info for your better life in this particular era. So now let us teach you the relaxing pattern here is your body and mind are going to be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary paying spare time activity?

**Donald Freeman:**

Reading a book for being new life style in this calendar year; every people loves to go through a book. When you read a book you can get a large amount of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you need to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, as well as soon. The Venture Capital For Dummies provide you with a new experience in reading a book.
