### Ballad (Rockstar) (Volume 5) By Anne Mercier

**Ben** She walked on the bus and my heart stopped beating. When she looked my way with that sassy smile, it came back to life. Looking at her, getting to know her, I know she's the one for me—but she's so young. Her life is just starting and I've already done my fair share of living. I want her to be mine but is it right for me to ask her to settle down before she's really had a chance to live? **Nicole** He keeps watching me. I can't help but look back. He's gorgeous: tall, messy dark hair, and those intensely blue eyes captivating me. My life hasn't been easy by any means. Because of that I've had to grow up much faster than normal women do. I think that's why our age difference doesn't bother me at all. I wish it didn't bother him because this attraction isn't going away anytime soon and, in truth, I don't want it to. He could very possibly be my happily-ever-after and no matter how much he tries, I'm not going to let him talk me out of it until we give this a fighting chance.
