Blackest Night By Geoff Johns

Comics hottest writer Geoff Johns (GREEN LANTERN: SINESTRO CORPS WAR, THE FLASH, ACTION COMICS, JSA) and superstar artist Ivan Reis raise the dead in this hardcover collection of the most anticipated comics event of the year!

Throughout the decades, death has plagued the DC Universe and taken the lives of heroes and villains alike. But to what end? As the War between the different colored Lantern Corps rages on, the prophecy of the Blackest Night descends and it's up to Hal Jordan and the Green Lantern Corps to lead DC's greatest champions in a battle to save the Universe from an army of undead Black Lanterns made up of fallen Green Lanterns and DC's deceased heroes and villains.

This collection of the best-selling epic is the culmination of the events that Geoff Johns has been leading to since he relaunched the Green Lantern franchise in 2006!

Some Things Are Worse Than Death

The Dead Will Rise

You Shouldn't Be Back

From Booklist

Death in superhero comics is notoriously impermanent—characters ranging from world-beaters like Superman to minor bit-players are killed off only to be resurrected later—but never more so than in this miniseries, in which dozens of fallen heroes and villains, including Aquaman, the Martian Manhunter, and Elongated Man, are reanimated as evil, zombielike forces under the command of Nekron, the embodiment of death, who wants to kill all living entities. As always, it's up to the stalwart superheroes—most notably the original Flash and Green Lantern, both recently returned from the grave themselves—to set things right. Like all such companywide crossover events, the story line was integrated into nearly all of DC's many titles, but the major events occur in the nine issues collected here. Even so, the absence of the supplemental stories makes Johns' thorny narrative even more abstruse, especially for casual readers. Reis' art perfectly matches the script: ostentatiously flashy at the expense of coherence. But for die-hard fans, *Blackest Night*, which sets in motion monumental changes that will be felt throughout the DC Universe, is a must-read. Grades 9-12. -- Gordon Flagg

Review

"If you've read a superhero comic book published by DC Comics within the last few years, and were

completely blown away by it, there's a good chance that it was something written by Geoff Johns."

-- Washington Examiner

"The talk of the comic book world."
