Editorial ReviewReview

"This book is jam-packed with great advice and personal insight from the author, a guy who I witnessed master Chinese faster than anyone else I've ever met."

**Nic Fuzzell- CEO of ABCs of Chinese**

"Buy this book first - before you spend money on expensive classes or programs and think about what you really want to get out of the language and why you want to learn it."

**William Peregoy Founder of DineMobb**

"Sia is the Tim Ferris of Chinese learning, providing psychology hacks that allow you to leverage technology to get the most out of your Chinese learning"

**Kyle Vass University of Virginia Linguistics**

"One of the biggest concepts in this book is the common myth of learning by hand. Writing characters is a huge investment of time and energy and in the end you usually end up forgetting"
