Fuck my cancer (Documents) (French Edition) By Manuela Wyler

« Je suis une femme de 55 ans, et j'ai un cancer du sein métastatique.

Je suis une femme de caractère, ou une emmerdeuse, si vous préférez. Mon cancer du sein a modifié mon espérance de vie, mais n'a pas changé cela. La maladie ne rend rien plus facile.

Je suis une patiente indocile, curieuse et libre de ses choix. Ce livre n'est pas le chemin de ma rédemption mais une chronique de mon expérience de Cancerland, qui n'est pas un monde merveilleux parce qu'à la fin, on meurt souvent.

Mais je ne suis pas encore à la fin, et je continue à dire *Fuck my cancer* ! »

Avant sa maladie, Manuela Wyler a eu une carrière professionnelle dans la communication et la culture. Blogueuse histoire et cuisine, elle a créé fuckmycancer.fr, un blog énervé et humoristique sur son expérience du cancer.

Elle vous emmène dans ce récit au pays du cancer, où rien ne se déroule jamais comme prévu. Dans ce coup de gueule, souvent drôle, jamais larmoyant, l'auteure détaille son parcours de malade peu conciliante. Coupez, empoisonnez, brûlez – le funeste triptyque du cancer passe à sa moulinette.

Editorial Review

Users Review

From reader reviews:

Carrie Wakefield:

As people who live in often the modest era should be update about what going on or details even knowledge to make all of them keep up with the era which can be always change and progress. Some of you maybe will probably update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This Fuck my cancer (Documents) (French Edition) is our recommendation to help you keep up with the world. Why, because this book serves what you want and want in this era.

Carla Ramirez:

Playing with family in a very park, coming to see the coastal world or hanging out with good friends is thing that usually you may have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Fuck my cancer (Documents) (French Edition), you are able to enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can occur its mind hangout fellas. What? Still don't buy it, oh come on its called reading friends.

Donald Link:

Do you really one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Attempt to pick one book that you find out the inside because don't determine book by its include may doesn't work here is difficult job because you are afraid that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer could be Fuck my cancer (Documents) (French Edition) why because the fantastic cover that make you consider with regards to the content will not disappoint an individual. The inside or content is fantastic as the outside as well as cover. Your reading sixth sense will directly assist you to pick up this book.

Jeffrey Lambert:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to enjoy your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, having everywhere you want in your Cell phone. Like Fuck my cancer (Documents) (French Edition) which is getting the e-book version. So , why not try out this book? Let's view.
