Ivory and Bone By Julie Eshbaugh

“Exquisitely written, ferocious, and haunting. Don’t miss this one!” —Sarah J. Maas, *New York Times* bestselling author of the *Throne of Glass* series

“Julie Eshbaugh is a unique new voice with talent enough for a whole team of writers. I’m still under the spell of her storytelling.” —Amie Kaufman, *New York Times* bestselling co-author of *Illuminae* and *These Broken Stars*

Loosely inspired by *Pride and Prejudice*, *Ivory and Bone* is an enthralling tale of high-stakes survival, blinding betrayal, and star-crossed love.

Hunting, gathering, and keeping his family safe—that’s the life seventeen-year-old Kol knows. Then bold, enigmatic Mya arrives from the south with her family, and Kol is captivated. He wants her to trust him, but any hopes of impressing her are ruined when he makes a careless—and nearly grave—mistake. What Kol doesn’t know is that underneath Mya’s cool disdain is a history wrought with loss that comes to light when another clan arrives. With them is Lo, an enemy from Mya’s past who Mya swears has ulterior motives.

As Kol grows closer to Lo, tensions between Mya and Lo escalate until violence erupts. Faced with shattering losses, Kol is forced to question every person he’s trusted. One thing is for sure: this was a war that Mya or Lo—Kol doesn’t know which—had been planning all along.

With riveting action and illustrative prose that leaps from the page, Julie Eshbaugh will have readers mesmerized and thirsty for more...So don’t miss the sequel, *Obsidian and Stars*.

Editorial Review

From School Library Journal

Gr 8 Up—Seventeen-year-old Kol is the oldest son of the High Elder of his clan, and while he and his brother are of marrying age, there are no marriageable women in their clan. The rhythm of Kol's hunter/gatherer life changes, however, when a group from the clan to the south visit to build an alliance—with two eligible unmarried women in their party. Mya, also 17, is beautiful and severe, and she and Kol begin a rocky acquaintance when she saves him from a charging saber-tooth while on a mammoth hunt. Despite his acts of gratitude, Kol cannot read or anticipate Mya's feelings, which makes his confusion about his own feelings even more complex. When Lo, a woman from the clan to the north, arrives in Kol's village with a dark intent, the plot becomes all the more complicated. Eshbaugh packs her debut with a classic love triangle, feuding clans, a well-drawn prehistoric setting, and a handful of fan fiction elements that will appeal to teens. VERDICT Buy this Stone Age, gender-flipped take on *Pride and Prejudice* if your readers are on the lookout for something compellingly out of the ordinary.—Amy Koester, Learning Experiences Department, Skokie Public Library, IL

Review

“Julie Eshbaugh is a unique new voice with talent enough for a whole team of writers. *Ivory and Bone* transported me to a richly crafted world of life-and-death stakes, and I’m still under the spell of her storytelling.” (Amie Kaufman, New York Times bestselling co-author of *Illuminae* and *These Broken Stars*)

“Exquisitely written, ferocious, and haunting--what a breath of fresh air! *Ivory and Bone* is unlike anything I’ve ever read. Don’t miss this one!” (Sarah J. Maas, New York Times bestselling author of the *Throne of Glass* series)

“Debut author Eshbaugh portrays Neolithic culture with grace and authenticity. This is an involving story solidly told, doing credit to its inspiration and sources.” (Kirkus Reviews)

“Eshbaugh debuts with an exciting and unusual adventure with emphasis on the power of storytelling.” (Publishers Weekly)

“Eshbaugh creates a spare yet memorable account of the interpersonal and interclan politics. There is much to value here.” (ALA Booklist)

“Eshbaugh packs her debut with a classic love triangle, feuding clans, a well-drawn prehistoric setting, and a handful of fan fiction elements that will appeal to teens. Compellingly out of the ordinary.” (School Library Journal)

“The Ice Age setting is richly described, and the sometimes desperate struggle for food and survival is palpable. Highly recommended; readers will be anxiously awaiting the next book in the series.” (Voice of Youth Advocates (VOYA))

“There is clear authenticity in the descriptions, and they evoke the desperation, loyalty, and determination that a small group like this would have likely felt.” (Bulletin of the Center for Children’s Books)

“Hands down the most unique debut YA novel of the year.” (PasteMagazine.com)

From the Back Cover

The only life seventeen-year-old Kol knows is hunting at the foot of the Great Ice with his brothers. But food is becoming scarce, and without another clan to align with, Kol, his family, and their entire group are facing an uncertain future.

Traveling from the south, Mya and her family arrive at Kol's camp with a trail of hurt and loss behind them, and hope for a new beginning. When Kol meets Mya, her strength, independence, and beauty instantly captivate him, igniting a desire for much more than survival.

Then on a hunt, Kol makes a grave mistake that jeopardizes the relationship that he and Mya have only just started to build. Mya was guarded to begin with—and for good reason—but no apology or gesture is enough for her to forgive him. Soon after, another clan arrives on their shores. And when Mya spots Lo, a daughter of this new clan, her anger intensifies, adding to the already simmering tension between families. After befriending Lo, Kol learns of a dark history between Lo and Mya that is rooted in the tangle of their pasts.

When violence erupts, Kol is forced to choose between fighting alongside Mya or trusting Lo's claims. And when things quickly turn deadly, it becomes clear that this was a war that one of them had been planning all along.

Praise for *Ivory and Bone*

“Exquisitely written, ferocious, and haunting—what a breath of fresh air. *Ivory and Bone* is unlike anything I’ve ever read. Don’t miss this one.”—Sarah J. Maas, *New York Times* bestselling author of the Throne of Glass series

“Julie Eshbaugh is a unique new voice with talent enough for a whole team of writers. *Ivory and Bone* transported me to a richly crafted world of life-and-death stakes, and I’m still under the spell of her storytelling.”—Amie Kaufman, *New York Times* bestselling co-author of *Illuminae and These Broken Stars*

Users Review

From reader reviews:

Krystal Sutherland:

Here thing why this specific *Ivory and Bone* are different and reputable to be yours. First of all reading a book is good however it depends in the content than it which is the content is as delightful as food or not. *Ivory and Bone* giving you information deeper as different ways, you can find any reserve out there but there is no e-book that similar with *Ivory and Bone*. It gives you thrill looking at journey, its open up your own eyes about the thing which happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in area, café, or even in your approach home by train. When you are having difficulties in bringing the branded book maybe the form of *Ivory and Bone* in e-book can be your substitute.

Jacqueline Kellett:

Does one one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Aim to pick one book that you just dont know the inside because don't determine book by its include may doesn't work the following is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer can be Ivory and Bone why because the great cover that make you consider in regards to the content will not disappoint you. The inside or content is actually fantastic as the outside or even cover. Your reading 6th sense will directly direct you to pick up this book.

Clayton Johnson:

Are you kind of busy person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your short period of time to read it because all this time you only find e-book that need more time to be go through. Ivory and Bone can be your answer mainly because it can be read by you who have those short extra time problems.

Jamie Norman:

In this period globalization it is important to someone to get information. The information will make a professional understand the condition of the world. The fitness of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher that print many kinds of book. The book that recommended to you personally is Ivory and Bone this publication consist a lot of the information from the condition of this world now. This specific book was represented how does the world has grown up. The words styles that writer require to explain it is easy to understand. The actual writer made some research when he makes this book. That is why this book suitable all of you.
