KOINE DICTIONARY: ENGLISH-GREEK: GREEK-ENGLISH By John Barach

One of the deficiencies of Koine Greek Lexicons is that while they list all the Greek forms and provide English definitions, they don't do the reverse. For instance, if you had a list of English words and wanted the corresponding Greek word, you would not find any help.

UNTIL NOW !

This book will help you cross-reference words from English to Greek.

This book lists English words used in the New Testament, Old Testament Septuagint (LXX), Early Church Documents (i.e., Apostolic Fathers), and Apocrypha. Under each English word is a list of corresponding Greek words. Clicking on the Greek word will take you to a Greek lexicon which is included in this book.

The Greek lexicon contains every Greek vocabulary word used in the above mentioned documents.
