**Personal: A Jack Reacher Novel, Book 19** By Lee Child

**Jack Reacher returns in the latest fast-moving, action-packed, suspenseful book from number-one *New York Times* best-selling author Lee Child.**

"You can leave the army, but the army doesn't leave you. Not always. Not completely," notes Jack Reacher - and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA.

Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott - an American marksman gone bad - is one of them. And after 15 years in prison, he's out, unaccounted for, and likely drawing a bead on a G-8 summit packed with enough world leaders to tempt any assassin.

If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zoloft. But they're facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses - and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that happen again. Not this time. Not Nice.

Reacher never gets too close. But now a killer is making it personal.

##### **Stephen Adams:**

The reason? Because this Personal: A Jack Reacher Novel, Book 19 is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who have write the book in such awesome way makes the content within easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of benefits than the other book include such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.

##### **Kenny Crowther:**

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Personal: A Jack Reacher Novel, Book 19 can make you truly feel more interested to read.

##### **Jesse Mansell:**
