Emily

I'm back in New York, ready to start my brand new life with Logan. Things are still up in the air between us, and it has been three months since I've even talked to him. But there's one thing I'm certain of -- I can't live without him. >br> Logan I need her like I need air. But now she's back, and her dad and her ex-boyfriend are conspiring to keep us apart. We can do this, though. Can't we? We can make this work? We have to, because I can't imagine my life without her.

They met because of a tattoo. They fell in love because it was unavoidable. They separated when she gave up everything she held dear to save someone he loved. Now Emily's back in New York, ready to start her college years at Juilliard and find her way back to Logan. But her father and her ex-boyfriend have different plans.

Logan and Emily's love will be challenged at every turn.

Can they pass the test?
