**Taken** By HelenKay Dimon

**Known for her “emotional, sexy and smart”\* stories, now, HelenKay Dimon presents a bold new novella that takes readers to the edge...**

Wade Royer and Elijah Sterling are on shaky ground. While initially reluctant Eli is finally ready to take things to the next level, Wade is hesitant. He senses trouble coming and he’s right. Still, they know their fiercely undeniable connection—both in and out of the bedroom—is worth saving.

Then a man from Eli’s past reappears and the CIA comes calling—and they both want Eli back. With their relationship in jeopardy of falling apart and Eli in danger of a different kind, both men will have to decide what they really want—and then take it...

**Includes an exclusive preview of HelenKay Dimon’s latest novel, *Mine*.**

### **Praise for the novels of HelenKay Dimon:**

“Everything I want in a book.”—\*New York Times bestselling author Jill Shalvis

“Sexy, fun and satisfying”—Kirkus Reviews

“Sharp writing and sexy romance sizzle.”—Chicago Tribune

“Perfect for readers who appreciate intense intrigue and very erotic romance.”—Publishers Weekly

Bestselling and award-winning author **HelenKay Dimon** spent twelve years in the most unromantic career ever—divorce lawyer. After dedicating all that time and effort to helping people terminate relationships, she is thrilled to write romance novels full time. Her novels include *Only*, *Mercy* and the Hanover Brothers novels, *No Turning Back*, *A Simple Twist of Fate*, *Long Way Home* and *Too Far Gone*. Her books have been featured at *E! Online* and in the *Chicago Tribune*, and she has had two of her books named “Red Hot Reads”

in *Cosmopolitan* magazine. When not writing, she teaches fiction and romance writing at MiraCosta College and UCSD and generally wastes a lot of time watching bad Syfy channel movies.

### Users Review

#### From reader reviews:

##### David Hernandez:

In this 21st one hundred year, people become competitive in every way. By being competitive today, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive boost then having chance to endure than other is high. For you who want to start reading a book, we give you this specific Taken book as nice and daily reading guide. Why, because this book is greater than just a book.

##### Coralee Lowe:

Reading a reserve can be one of a lot of task that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a book will give you a lot of new information. When you read a book you will get new information mainly because book is one of numerous ways to share the information or perhaps their idea. Second, reading a book will make anyone more imaginative. When you reading a book especially fictional book the author will bring you to definitely imagine the story how the personas do it anything. Third, you may share your knowledge to other individuals. When you read this Taken, you may tells your family, friends as well as soon about yours publication. Your knowledge can inspire different ones, make them reading a guide.

##### Maureen Bonds:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Taken, you can enjoy both. It is great combination right, you still want to miss it? What kind of hang-out type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its named reading friends.

**Douglas Johnson:**

In this era globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, magazine, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The book that recommended to your account is Taken this guide consist a lot of the information on the condition of this world now. This kind of book was represented just how can the world has grown up. The dialect styles that writer use for explain it is easy to understand. The particular writer made some analysis when he makes this book. That's why this book ideal all of you.
