The Gringo's Guide to Travel Spanish - Learn How to Order Food, Find the Bathroom (and all that other Travel Stuff) the Week Before Your Trip! By JORDAN ELLINGTON

## A Quick, Easy, REALISTIC Way to Learn Just What You Need When You Travel!

Instead of teaching you thousands of words, and stressing you out about verb conjugation, word order, masculine/feminine and stuff like that--you'll focus on just what you need when you travel. If somebody came up to you and said "Me food want." You'd understand them, right?

- Learn how to find the bathroom or ask directions to any site with just 7 words-- never be lost again
- Eat in the local, not-touristy restaurants because you'll know what you're ordering
- Save tons of time and stress by not getting on the wrong train! Or going the wrong way on the metro!
- Walk in to any hotel in the world and get the WI-FI password, an extra towel, or the check-out time
- Separate yourself from the herds of "normal tourists" the second you walk through the door

## **100% Authentic, Real Examples from Spain of Everything I Teach You**

I traveled through Spain for two months and video recorded hundreds of my interactions. In this book, anytime I teach you a word, phrase or system--I'll show you a real example dialogue from Spain in both Spanish and English (with an image of the scene). This is totally different and 100% authentic compared to those phony, ridiculous, fake dialogues we get in most Spanish courses and books.

## **I Don't Just Give You 1,000 Words, Then Send You on Your Way**

For each situation, I don't just give you a bunch of words, tell you to memorize them, then leave you to figure out how to use them. I teach almost everything in SYSTEMS.

For example, in **Asking Directions**, you'll learn 3 Questions that will get you to any site in any city. In **Transportation**, you'll learn 5 Steps for handling all public transportation: bus, train, taxi, metro, and tram. In **Ordering Food**, you'll get the Ingredient System, the Preparation System, and two Safety Questions, to know what you're ordering, how's it's going to be prepared, and that it definitely doesn't have anything you can't or don't want to eat.

## **Become Fluent in Travel Spanish in 2 Weeks**

Because everything is taught in systems, it's easier to learn (and remember) compared to learning just a bunch of random words. If you follow the directions in this book and do exactly as I say, you'll be fluent in Travel Spanish in 2 weeks or less. Being fluent in Travel Spanish means you'll be able to do everything I do in the countless examples in this book. Nothing more. Nothing less.
