About the Author

Denis Waitley has been described by his peers as "the poet laureate" of modern-day philosophers. For the past forty years, he has inspired, informed, and enlightened millions of individuals with his fifteen non-fiction books, hundreds of audio programs, and entertaining, penetrating live keynote lectures, seminars, and television appearances.

From the boardrooms of top multi-national corporations, to the control rooms of NASA astronauts; from the locker rooms of world-class professional and Olympic athletes, to the meeting rooms of national and international conventions; from the classrooms of students of all ages and cultures, to our living rooms, Denis Waitley has painted word pictures of optimism, core values, motivation, and resiliency that have become indelible and legendary in their positive impact on society.
