Wild Abandon By Jeannine Colette

When you fall in-love it's forever. But sometimes forever comes with a price.

I never meant to meet Nathaniel Teller. It was by accident, on a Tuesday, that I walked into his bar. He was solemn, intense and hiding a secret behind those stoic green eyes.

I never intended to fall in-love with him. We were supposed to be just friends. But I fell for him hard, deep. There's no turning back.

I never thought his past would be so dark. And if I thought I had any chance of being in his future, I was wrong. Because his past is his future.

And I need to walk away.

Wild Abandon is a stand-alone novel in the Abandon Collection.

Editorial Review

Review

"I started reading this at work and let me say what a huge mistake that was because I was finding places to hide just to read. From the very first sentence, I was hooked." **-5 Stars, The Literary Gossip**

"I couldn't keep the ever present grin off of my face. I laughed. I gasped. And when all of the puzzle pieces came together and I figured something out, I had tears in my eyes." **-5 Stars, FMR Book Grind**

"I also completely love the other characters in the book. Scarlet is one of my favorites. She keeps you laughing the whole time. It's hard not to fall in love with each character. They were all beautifully written. **-5 Stars, Nerd Girl Official**

"A beautifully written journey of self discovery, with moments that made my heart ache, and a touch of humour that made me smile. **-5 Stars, Naomi's Reading Palace**

"The rose on the cover comes from Ed's magic garden, and the symbolism is so perfect and breathtaking. It's used several times throughout the story in different ways, so it can appeal in many different ways. I really enjoyed the concept - how it connected each character and ultimately what it meant in regards to their past, present, and future." **-5 Stars, Shannon of Collector of the Traveling Book Boyfriends**

"Jeannine has a way of breaking your heart and repair it piece by piece. I've loved each book in this series and this one is no different. 5 bottles of Merlot for Wild Abandon." **-5 Stars, Sweet and Spicy Reads**

"There is an underlying current that flows through it, another message all together, woven into the love story so much so that you don't notice it until something clicks and you see yourself as Crystal." **-4 Stars, Kinky Kittens Book Blog**

If you are looking for a beautiful, yet heart-wrenching story line with an ooooh sooo delicious slow burn, look no further!
