12 years a slave

Being born a free man in the times of the 1830s and 1840s was a very rare thing. That was something that happened for Solomon Northup. While Solomon Northup was working hard to support his family Solomon Northup was kidnapped and sold into slavery at the hands of rogue kidnappers. Once Solomon Northup was in their custody Solomon Northup endured many cruel and ridiculous experiences while trying to find his way to freedom. This was a huge problem as well for his family who did not know what had happened to their father. With the help of a Canadian abolitionist Solomon Northup was able to find his way back to his family and was able to once again walk the streets as a free man. Solomon Northup worked with a local writer to turn his account into a book which made the bestseller list and then toured the country lecturing as well as trying to raise awareness for the cause. It is not clear what happened to Solomon in his later life as his death is still a mystery. However, Solomon Northup laid the building blocks for what became national awareness of the situation in the south as well as internationally regarding slavery. In October of 2013 Solomon Northup's memoir was made into a movie, *Twelve Years a Slave* then became a national bestseller overnight and won 9 academy awards. For this reason there was amazing interest again in allowing for him to move forward with the process of becoming an inspiration, although Solomon Northup was dead for over 150 years. Solomon Northup's story is one of inspiration and amazement.

### **Editorial Review**

#### **Review**

"A moving, vital testament to one of slavery's 'many thousands gone' who retained his humanity in the bowels of degradation. It is also a chilling insight into the 'peculiar institution.'" --"Saturday Review"

#### **From the Back Cover**

This story of the abduction of a free Negro adult from the North and his enslavement in the South--provides a sensational element which cannot be matched in any of the dozens of narratives written by former slaves. 'Think of it: For thirty years a man, wit all man's hopes, fears and aspirations--with a wife and children to call him by the endearing names of husband and father--with a home, humble it may be, but still a home...then for twelve years a thing, a chattel personal, classed with mules and horses....Oh! it is horrible. It chills the blood to think that such are.'

#### **About the Author**

SOLOMON NORTHUP was born in 1808 and lived as a free man in Saratoga Springs, New York, with his wife and three children until his capture and enslavement in 1841. He was one of very few who were able to regain their freedom after being kidnapped and sold into slavery. After he returned to New York, he published his memoir and became an active abolitionist, lecturing throughout the Northeast about his experiences.

### **Users Review**

#### **From reader reviews:**

##### **Brian Andres:**

Information is provisions for anyone to get better life, information nowadays can get by anyone on everywhere. The information can be a expertise or any news even a problem. What people must be consider any time those information which is inside the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you have the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take 12 years a slave as your daily resource information.

##### **Amy Davis:**
