BLIND-DATE BABY (Harlequin comics) By Fiona Harper

Grace is agitated. She became a widow as a young woman, and she sacrificed her future to bring up a child alone, but now her daughter is grown up and has left the nest, and a lonely life is awaiting Grace. When she thinks about her lonely future, her heart feels as though it's being choked with sorrow. Then she meets a dashing, handsome man who's also intelligent. Grace is worried that she'd be too old for a new romance, but her passion is about to overrule her logic.
