Quick-talking burglar Junior Bender gets blackmailed into starting a new career as a private investigator for crooks in this hilarious Hollywood mystery

Junior Bender, a burglar with a magic touch, is being blackmailed into taking on a new freelance job. One of LA's biggest crime bosses is producing a porn movie that someone keeps sabotaging; Junior's job is to figure out who's responsible and keep the movie on track.

The trouble is, he's not sure he can go through with the job, blackmail or no blackmail. The actress lined up to star in the film, Thistle Downing, is an ex-child star who now lives alone in a drug-induced stupor, destitute and uninsurable. Editorial Review

From Booklist

Hallinan, author of the Simeon Grist and Poke Rafferty series, introduces a new hero: Junior Bender, a career crook (burglar, to be precise) who, after the reasonably successful conclusion of an especially danger-fraught job, is blackmailed by a disreputable cop into helping one of Los Angeles' most notorious crime bosses with a little problem. It seems she's trying to take her family's operations legit, and she needs a quick cash infusion, so she's found a once-beloved child star, Thistle Downing, and enticed her into performing in a trilogy of hard-core pornographic movies. But someone's trying to sabotage the films, and she wants Bender to find out who. If you read this book without a smile on your face, you're not reading it right. Bender, who narrates the story in the first-person, is a charming and immensely likable guy, the master of the wisecrack. Sure, he's a crook, but he never steals from people who can't afford it, and he's got a moral center that's stronger than that of most of the people around him. The story is well designed and well told (Hallinan doesn't over-rely on out-of-left-field plot twists), and the dialogue sparkles. In a genre perhaps slightly overstuffed with crook-heroes, the book is like a breath of fresh air. --David Pitt

Review

—NPR's Morning Edition

"Loved loved loved *Crashed*, Tim Hallinan's first Junior Bender mystery. Great narrative voice, complex plot, 3-D characters. Hallinan's deft comic tone and colorful characters have earned him comparisons to Donald Westlake and Carl Hiassen. Check it out now."

—Nancy Pearl

"If Carl Hiaasen and Donald Westlake had a literary love child, he would be Timothy Hallinan. The Edgar nominee's laugh-out-loud new crime series featuring Hollywood burglar-turned-private eye Junior Bender has breakout written all over it... A must-read."

—Julia Spencer-Fleming, *New York Times* bestselling author of *One Was a Soldier*

"Junior Bender is today's Los Angeles as Raymond Chandler might have written it. Tim [Hallinan] is a master at tossing out the kind of hard-boiled lines that I wish I thought of first."

—Bruce DeSilva, *Macavity & Edgar Award-winning author of Rogue Island*

"Timothy Hallinan's affable antihero, an accomplished thief but inept sleuth named Junior Bender, makes a terrific first impression in *Crashed*.... Bender's quick wit and smart mouth make him a boon companion on this oddball adventure."

—New York Times

"A fresh turn on Raymond Chandler... In *Crashed*, Hallinan's fabulously convoluted, wise-guy detective potboiler featuring Bender, the California author's voice — intelligent, sarcastic, profane but never coarse, unfailingly honest — is like a fast ride over a potholed road in a vintage Cadillac."

—San Antonio Express-News

"This is Hallinan at the top of his game. It's laugh-out-loud funny without ever losing any of its mystery. It's a whole new style and I love it. Junior Bender—a crook with a heart of gold—is one of Hallinan's most appealing heroes, rich with invention, and brimming with classic wit. I can't recommend it highly enough."

—Shadoe Stevens, **Late Late Show with Craig Ferguson**

"The story is well designed and well told, and the dialogue sparkles. In a genre perhaps slightly overstuffed with crook-heroes, the book is like a breath of fresh air."
