**Evil Librarian** By Michelle Knudsen

**He's young. He's hot. He's also evil. He's . . . the librarian.**

When Cynthia Rothschild's best friend, Annie, falls head over heels for the new high-school librarian, Cyn can totally see why. He's really young and super cute and thinks Annie would make an excellent library monitor. But after meeting Mr. Gabriel, Cyn realizes something isn't quite right. Maybe it's the creepy look in the librarian's eyes, or the weird feeling Cyn gets whenever she's around him. Before long Cyn realizes that Mr. Gabriel is, in fact . . . a demon. Now, in addition to saving the school musical from technical disaster and trying not to make a fool of herself with her own hopeless crush, Cyn has to save her best friend from the clutches of the evil librarian, who also seems to be slowly sucking the life force out of the entire student body! From best-selling author Michelle Knudsen, here is the perfect novel for teens who like their horror served up with a bit of romance, plenty of humor, and some pretty hot guys (of both the good and evil variety).

### Editorial Review

From School Library Journal

Gr 9 Up—Many high school students may think they have encountered an evil librarian, but they've never met one who turns students into zombies and murders the school principal. Cyn Rothschild would ordinarily have been too busy orchestrating the set construction for the school's musical, *Sweeney Todd*, to get involved with the evil librarian, Mr. Gabriel. But her best friend, Annie, has quite a crush on him. When Cyn and her own heartthrob (and star of *Sweeney Todd*), Ryan, discover the librarian covered in blood and sporting horns and bat wings, they feel responsible for stopping the murder and mayhem. As Annie slips completely under the control of the librarian, Cyn and Ryan visit an occult shop to learn more about demons, and how to counteract their influence on people. Unfortunately, Cyn and Ryan fail at their first attempt to eradicate Mr. Gabriel, and more demons show up at school. Throughout, Cyn's first-person narrative demonstrates passion, intelligence, and empathy. Her common sense and comprehension of the gravity of their situation overrule her desire to be closer to Ryan. Romantic tension builds as Cyn and Ryan struggle over how to fight the demons. Narrator Emily Foster distinguishes each character's voice enough to advance the story seamlessly. **VERDICT** This mixture of fantasy and teen romance is fast-paced and will prove satisfying to any horror-loving imagination.—Ann Weber, Bellarmine Coll. Prep., San Jose, CA

Review

It's all terrifically entertaining from start to finish, with Cyn's wry voice narrating her transformation from musical theater-loving, crush-having teen to musical theater-loving, crush-having teen who can also kick some demon butt. The plot is particularly well done here, with several encounters with Mr. Gabriel and other demons providing moments of both horror and humor and eventually culminating in the final demon/human battle.

—Bulletin of the Center for Children's Books (starred review)

[A] self-aware supernatural dramedy... The writing is clever, the tone wry, and the stakes high, with surprises that keep the plot unpredictable. Cyn's internal monologue provides plenty of amusement, especially when her hormones threaten to overpower her common sense. It's an entertaining tale with room for future installments.

—Publishers Weekly

Snappily narrated, tightly plotted and generally just right. Forget paranormal romance; this horror-humor-romance pastiche is where those in search of hot nonhumans should set their sights.

—Kirkus Reviews

Hysterical! Smart and funny, with a little drama, a little romance, and just the right touch of evil.

—Stephenie Meyer, author of the bestselling *Twilight* Saga

There's plenty to like here: a budding will-they-won't-they romance, demonic possession, musical theater references, and more. Knudsen keeps the terror well-tempered with plenty of hilarious situational comedy and touches of the absurd.

—Booklist Online

If Louise Rennison and Christopher Moore had a bibliographic love child it would be this cheekily narrated supernatural offering. ... [Cyn's] narrative voice and the novel's dialogue make it worth the read. Occasional swearing, a dash of romance, and plenty of laugh-out-loud moments round out Knudsen's enjoyable comedic

tale, reminiscent of the original "Buffy" film.

—School Library Journal

Smart, problem-solving, and loyal, [Cyn] makes an engaging heroine... The first-person narration ranges from self-deprecating wit to breathless, punctuation-free anxiety during suspenseful moments, emphasizing Cyn's terror—and her determination to save those she loves despite her fear. An excellent choice for fans of Cynthia Leitich Smith's *Tantalize* series or Larbalestier and Brennan's *Team Human*.

—Horn Book

Knudsen's snarky wit portrays the high school atmosphere to a T, and it is suspenseful enough to keep readers up late turning the pages.

—St. Louis Post-Dispatch

#### About the Author

**Michelle Knudsen** is the author of *The Dragon of Trelian* and *The Princess of Trelian*, as well as the best-selling picture book *Library Lion*, illustrated by Kevin Hawkes; *Argus*, illustrated by Andréa Wesson; and *Big Mean Mike*, illustrated by Scott Magoon. Michelle Knudsen lives in Brooklyn, New York.

## Users Review

### From reader reviews:

#### Tanya Minor:

The book makes you more confidence because you can know every little thing by the book. So , let's make new experience as well as knowledge with this book.

#### Anthony Flowers:

People live in this new time of lifestyle always make an effort to and must have the time or they will get lots of stress from both lifestyle and work. So , if we ask do people have time, we will say absolutely sure. People is human not really a huge robot. Then we consult again, what kind of activity do you have when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative with spending your spare time, typically the book you have read is usually Evil Librarian.

#### Lupita Kirch:

Your reading sixth sense will not betray an individual, why because this Evil Librarian book written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your personal hunger then you still uncertainty Evil Librarian as good book not just by the cover but also through the

content. This is one publication that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick that!? Oh come on your studying sixth sense already told you so why you have to listening to yet another sixth sense.

**Oliver Lyle:**

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Evil Librarian can make you experience more interested to read.
